

EVENT INFORMATION REFERENCE

ZEKE GARCIA

SPEAKING ENGAGEMENTS

- Zeke creates his slides in **Canva** and can export them in whatever format works best for your presentation software.
- Zeke prefers to use **ProRemote from his iPad or phone** when possible to advance his own slides.
- To use ProRemote, Zeke will need access to **reliable WiFi** connected to the presenting computer.
- If your display uses a **custom screen size**, please let us know (standard: 1920 × 1080).
- Zeke prefers a **handheld wireless microphone** when available.

CONCERTS / MUSIC ENGAGEMENTS

- Zeke will need a **sound check at least 1 hour** before doors open.
- Zeke will need **someone in the sound booth** to cue tracks during his performance.
- Zeke will have all audio files on an **iPad or laptop**, which can be connected using a **1/8-inch auxiliary adapter**, or files can be AirDropped to an Apple-compatible device.
- Zeke will need a minimum of **two floor monitors** or **in-ear monitor** capability to hear music from the stage.
- Zeke prefers a **handheld wireless microphone** when available.

MERCH INFORMATION

If applicable/allowed. Please indicate if you prefer not to have merch present.

- Zeke will need a **6-ft or 8-ft table** for ministry merchandise (if your church/event allows)
- If possible, **1-2 volunteers** to help unload, set up, and take down the merch table before and after the event would be greatly appreciated.
- Please let us know where the table will be **located** and what **time** it needs to be set up.
